December 2023

First and foremost, we hope that you, your families and colleagues remain healthy and safe.

We want to thank you for your MSCI MidSouth Chapter membership. Our chapter depends on your continued investment .

In 2023, we awarded a total of 15 \$3,000 scholarships to the children of your employees. Since 2004, we have awarded 225 scholarships totaling over \$650,000. Only through your support can we continue our Scholarship Awards for 2024. Please see the list of scholarship recipients on the following page.

The Board has approved the 2024 Scholarship Program and will increase its scholarships to 20 one-year scholarships in the amount of \$3,000. Applications can be submitted on our scholarship portal at <https://www.msci.org/scholarships/> The deadline is April 1, 2024. Watch your email for additional information.

Please support our local chapter and plan to join us for our 2024 events. Mark your calendar for the Spring Scholarship Golf Outing being held at **The Frog on Monday, May 6, 2024.**

We are working on offering several networking events that are safe for you and your team. We look forward to our ability to again gather with our industry friends. Visit our website at www.msci.org, then chapters for registration information.

The dues for 2024 will remain at \$250 per location. Enclosed is a form with remittance information. Your prompt dues payment is appreciated and are due on January 1, 2024. Please note that dues paid to MSCI National are separate from dues paid to the Mid-South Chapter. *Your company location must pay Mid-South Chapter dues in order to attend chapter events and to submit Scholarship applications.*

If you have any questions or suggestions, please contact any one of our Board members. Contact information and scheduled events are always available at www.msci.org – Click on chapters, then Mid-South.

Sincerely,

Stephen D. Saunders
TW Metals & Mid-South Chapter President
